Dear Mr. Caton:

NOTICE OF PROPOSED RULE MAKING

Adopted: January 24, 1997

Released: January 31, 1997

Comment Date: March 24, 1997

Reply Comment Date: April 8, 1997

By the Chief, Allocations Branch:

1. The Commission considers herein a petition for rule making filed on behalf of Vixon Valley Broadcasting ("petitioner") requesting the allotment of Channel 271A to Driggs, Idaho, as that community's first local aural transmission service. Petitioner stated its intention to apply for Channel 271A if it is allotted to Driggs, as requested.

2. A staff analysis of the proposal indicates that Channel 271A can be allotted to the incorporated community of Driggs (population 846),¹ in conformity with the requirements of Section 73.207(b)(1) of the Commission's Rules,² without a site restriction, utilizing city reference coordinates 43-43-36 and 111-06-18.

3. Based upon the interest expressed in providing a first local aural transmission service to Driggs, Idaho, we will propose to allot Channel 271A to that community, as requested. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, to include Driggs, Idaho, as follows:

<u>City</u>	<u>Present</u>	<u>Channel No.</u> <u>Proposed</u>
Driggs, Idaho	--	271A

¹Population figure was taken from the 1990 U.S. Census.

²Although this proposal is short-spaced to a later-filed rule making proposal to allot Channel 270A to Victor, Idaho (RM-8937), we have determined the availability of an equivalent Class A channel for consideration at the latter community to negate the conflict.

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before March 24, 1997, and reply comments on or before April 8, 1997, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b) and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy Joyner, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service.

requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
